"Young People are influenced by the adults around them. We often don't realise that our words and actions can carry hidden messages.

1 in 4 young people think it's pretty normal for guys to pressure girls into sex...and. Don't think it's serious if a guy who's normally gentle sometimes slaps his girlfriend when he's drunk and they're arguing".

*Violence against women – Let's stop it at the Start
(Our Watch Research for the Line Campaign 2015)*

At our April meeting we discussed these findings and viewed the trailers of the two films that we hope to feature at our movie nights this year. Both film nights form part of our ongoing campaign against Domestic and Family Violence and explore how we are raising our boys and girls. *The Mask You Live In* has been scheduled at the New Farm Cinema for Saturday, 27 May and illustrates how we, as a society, can raise a healthier generation of boys and young men.

To start our sixteen days of action later this year, we hope to feature *Miss Representation* on 25 November. This film explores how the media promotes that girls' and women's value lie in their youth, beauty and sexuality and not in their capacity as leaders.

I would urge each and every one of us to show our support for our Zonta Says No campaign. Please publicise, come along and bring family and friends.

April Meeting

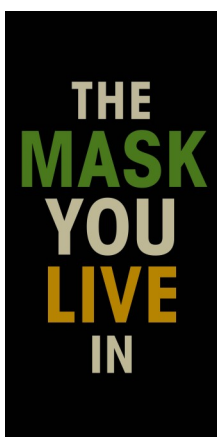

It was a pleasure to induct Dr Bianca Capra into our Club at our April Meeting. Bianca has attended a number of our meetings and is one of the main organisers of our Film Evening later this month and also our proposed Park Run. It is great to have her as a Zontian and we welcome her and look forward to the valuable contribution she will make to our Club.

AGM & May Meeting

Our Area 3 Director, Elaine Harrington, will be our special guest at our May Meeting which is also our AGM. Elaine will update us on District issues and install our 2017-2018 Board. She will also induct Megan Oliver into our Club as Megan was unable to attend our April Meeting.

Movie Night

and sell the tickets.

We still have tickets available for our showing of the Movie “The Mask You Live In” at the New Farm Cinema on 27 May. This film illustrates how we, as a society, can raise a healthier generation of boys and young men. Jennifer Siebel Newsom made “The Mask You Live In” as a concerned mother and an advocate for families and children. With the film, she explores how we are raising our boys and gets to the root of our societal problems with gender, violence, and the resulting gender inequity. The film runs for 87 minutes and will be followed by a short panel discussion on the subject. Cost is \$25 per ticket. Whilst this is not specifically a fundraising event but a Club activity during May which is recognised as Domestic Violence Awareness Month, we do need to cover costs, so please promote this event as widely as you can

Domestic Violence Month Activities

Thanks to Jo and HonZon Michele we had a presence at the National Day to Remember Candlelight Vigil at Southbank Forecourt to remember those women killed or affected by domestic and family violence and also via the combined Clubs Zonta marquee erected during the Darkness to Daylight Run organised by CEO Challenge. Our Club banner was displayed and Club brochures were distributed to those interested in Zonta.

Bunnings Sausage Sizzle

Our next Sausage Sizzle at Rocklea is 8 May with more booked for 5 and 17 June which is a weekend day but still to be confirmed. We also have Bunnings at Cannon Hill – 2 July 2017 which is a Sunday. The Cannon Hill Bunnings is a very busy store so help is definitely needed on this day as we need four people for each shift. Again, if available on these days, please let Jo know.
