AREA I WORKSHOP: The First Area Workshop was successfully held at Surfers Paradise during the weeking of September 30th. Over 120 Zontians participated travelling from all 14 clubs in the area. Leneen Ford, our Area Director, organised this most interesting weekend with a committee from the Brisbane and Gold Coast Clubs. Our Club was well represented with some 16 members appearing throughout the weekend. District Governor, Elizabeth Todd, encouraged us to spread the aims of Zonta by example in our professional and business lives. She hopes we will stress the International nature of Zonta.

It was interesting to hear of the work of the different clubs and to gain a little more insight into what it means to be a Zontian.

If you were unable to be present at the workshop they try to organise your diary for a trip to Melbourne for the District Conference next April.
