President's Update

Gina Brosnan presents Salwa Marsh with her J M Klausman Award for 2011

Our 2011-2012 Board has been installed and is now ready to plan the Club's upcoming year's activities. Our thanks have been extended to Bev Bellett, Area Director for joining us at our June meeting and undertaking the installation process.

At the last meeting we also heard from Salwa Marsh our successful applicant for the Jane M Klausman Award for this year and we were definitely impressed with the achievements and demeanour of this talented young lady. Gina has submitted Salwa as our nominee for consideration for the District JMK Award.

With our Annual Fair just two weeks away, I know many of you are in the throes of much preparation, committed to ensuring the event is a success. Now we must keep our fingers crossed that the weather is kind to us and the crowds turn up to reward the level of industry being invested.

The new Board has now had their first meeting for the upcoming year. Items discussed included the Club's plan for the year and additional activities that we might be able to pursue. It is hoped to be drawn from the submissions received for the Project Grants, due in by the 29 July 2011.

A fundraising opportunity – not to be missed !

Following the recent offer by the President of the Zonta Club of Brisbane giving us an opportunity to share their Sausage Sizzle fundraising venture on a bi-monthly basis, I visited the activity in full swing last Thursday morning.

Three Zontians were on duty – one at the barbeque cooking the sausages, one with bread in hand receiving the sausage and onion and a third member handling the sales and receiving the money! These three were there for the first four hour shift of the day 7am to 11am and they were then relieved by the second shift who would carry on the tasks from 11am to 3pm.

There was much laughter and friendly exchange with the many customers as they ordered their sausage snack. Each of the Zontians indicated that they were really enjoying the experience this venture provided as well as the fellowship that occurs during the time they all work together.

As a fundraising activity it is proving to be most rewarding and an additional benefit is that the income is derived from the public rather than drawing heavily on club member resources.

I would like to hear from members who would like to be part of this activity and can offer a regular 4 hour commitment once or twice every other month—a relatively small time commitment! If you can assist please contact me by phone or email to indicate how you might support this venture in some way.

District Conference

Are you planning to attend the 2011 Conference to be held in Brisbane this year? Our club is eligible to elect two Delegates and Alternates to vote on behalf of the Club on motions proposed as Byelaw changes and Resolutions. Selection of delegates will occur at our next Dinner meeting.

Name Badges

Do you need a new name badge we are about to place an order. Please indicate your need to Pam Beavis

For our intrepid travelers

Have you ever attended a meeting of another Zonta Club? It can keep your attendance record looking good as you can obtain a certificate of attendance from the Club you visit. (Some people are very proud of their attendance record and one person I know had an unbroken record of 25 years!) You are supposed to make contact with a Club beforehand to make sure you are in the numbers for catering and to ensure the meeting for that month isn't a closed one for some reason. You do have to pay their usual meeting fee too.

The Zonta International website can give you the District, Area and Club details. If you are headed for Europe for example you would look up District 29 which has 75 Clubs and covers England, France, Guadeloupe (no, it's not an error), Germany, Russia, Scotland, Spain and The Netherlands. I have visited Zontians in the Aberdeen Area Club and the 2 other clubs in the UK are Guildford and London. The latter has a great website - <http://zontalondon.org> . One advantage about the UK is they do speak English at their meetings (even in Aberdeen!)
