# **PRESIDENT KAYE'S REPORT JUNE 2014**

## *Presidents Report June 2014.*

*Zonta SGC/T participated in the march last November, to raise awareness for the Say NO to violence campaign in Tweed. May as Domestic Violence Prevention Month our club was awarded for the contribution to we are all "IN IT TO END IT" no more domestic violence in our community. We are proud to work in partnership with the Gold Coast Domestic Violence Prevention Centre and thank them for their work to assist women in their time of need with the commitment to end domestic and family violence.*

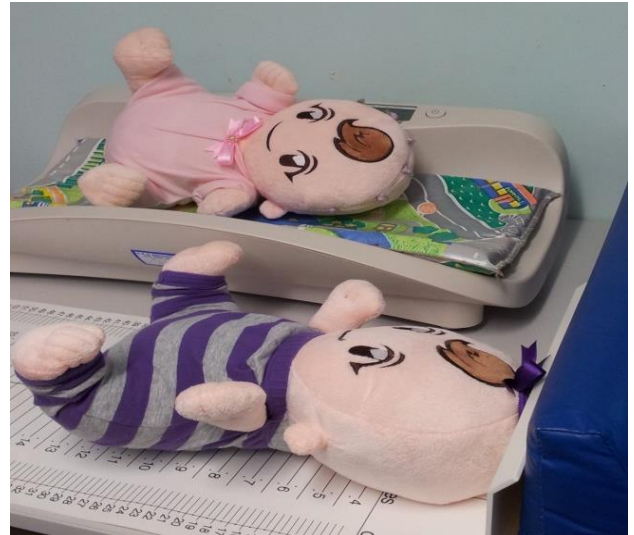

*Community services working together are making such a huge difference to families who are affected by violence. Together we can break the cycle of domestic violence one family at a time. Assist A Sista have just launched the Assist 2 Learn project. Supporting the schools that support the children from families who have been in a refuge. This project provides such essentials as new uniforms, school bags, lunch boxes, drink bottles, new book packs, classroom computer access fees and school excursions.*

*It isn't difficult to contribute when you can adopt a Sista tot for just \$20. Granny bought these twin tots for Sophia & Isobel. Of course they got a complete health assessment, length & weight!!*

*Grannies please contact Kaye SGCT Zonta for Sista Tots.*
