Beaudesert Area

Issue: **292** Date: **July 2013** 

#### **MESSAGE FROM THE PRESIDENT:**

Dear Fellow Beaudesert Zontians,

I hope you are enjoying the cooler weather & not finding the roadworks too much of a trial in the centre of Beaudesert.

I attended the Rotary Club of Beaudesert Changeover Dinner on 2<sup>nd</sup> July, 2013. The function was well attended by representatives of most of Beaudesert's service clubs & a commitment was made that the joint Service dinners will continue. I didn't ask when it was our turn!

Our committee structures are not quite complete – so later this week I will be asking for chairs for the Service & Legislative Awareness & Advocacy committees. Anne Beulah – our mint member is commencing her time with us as Chair of the Membership & Organisation Committee. Many thanks Anne – I know you will be more than up to the task, with the help of your committee members.

Denise, Jane & I met to try & nut out a date for the anniversary dinner. Michelle was held up by a tricky computer & couldn't make the meeting. The uncertainty regarding the date of the Federal election has made the job slightly more difficult than it should be & we are working through addresses for past Zontians. Gleneagle Gables is the venue of choice. More detail next week.

Our District Governor, Judith Anderson OAM continues to press the Queensland Government regarding funding for domestic violence shelters & low rental housing. This is going to be an ongoing project which can all work towards – you will be surprised how often the subject will arise during the course of your lives. Public housing in Beaudesert is fully extended.

Denise, Ellen, Anne & I - I think are the only starters for the Noosa Conference in September. We will have to organise ourselves with accommodation sooner than later. Our Club is helping with the Silent Auction & we will also need to provide auction items – please check your cupboards.

Looking forward to seeing you all next Tuesday.

Yours in Zonta, Alice Warby President – Zonta Club of Beaudesert Inc.

**DISTRICT 22 HISTORY** 

The first Zonta Club in Australia was established in 1929 in Sydney and included Australian poet, Dorothea Mackellar, among its members.

While the Club disbanded in 1935, a Canadian Zontian, Dorothy Thompson, reintroduced Zonta International in Australia and New Zealand in 1965 with the organisation of 12 Clubs, one in each Australian capital city and five in New Zealand. These Clubs became District 16 of Zonta international.

By 1990, the number of clubs in District 16 had grown to the extent that, at the Zonta Zonta International Convention in Dallas in 1990, District 16 was divided into 3 separate Districts: District 16 (New Zealand), District 23 (Victoria, Tasmania, Western Australia, South Australia, and the Northern Territory), and District 24 (Queensland, New South Wales, and the Australian Capital Territory).

Further growth in Clubs and membership led to a decision at the 2008 Zonta International Convention to divide District 24 into two Districts: District 22 (Queensland and the Northern Rivers of New South Wales) and District 24 (the remainder of New South Wales and the Australian Capital Territory).

District 22 has 47 Clubs from Cairns in the North and Mount Isa and Longreach in the west to Lismore in the Northern Rivers of New South Wales.

The District has more than 1100 active and engaged members including two former International Presidents of Zonta International: Leneen Forde AC who served for the 1990-1992 biennium; and Mary Magee OAM who served for the 2000-2002 biennium.

## Some thoughts of course......

District 22 Governor: Area 3 Director: District 22 Website: Judith Anderson Amena Reza http://www.zontadistrict22.org

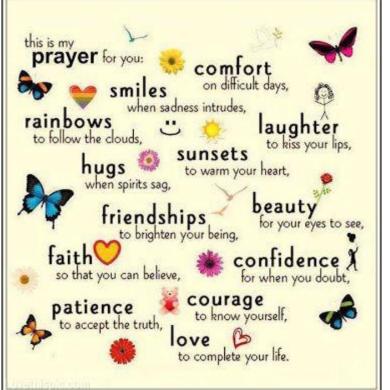

Never be afraid to..... Believe in yourself. Take a risk. Get back up. Follow your Dreams. Face the truth and be yourself. Learn from criticism. Try again take a bold step. live life to the fullest. Shine brightly and & blind the ones in darkness. Take a chance. Be afraid to be afraid. love unconditionally. Fight for justice. Stand up for yourself. Say im sorry.

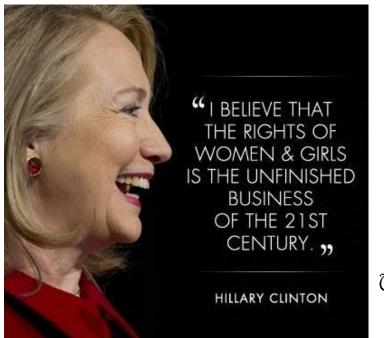

We all get heavier as we get older because there's a lot more information in our heads. So I'm not fat, I'm just really intelligent and my head couldn't hold any more so it started filling up the rest of me!

That's my story and I'm sticking to it!

Until next time ....
