President's Message:

What a wonderful breakfast we enjoyed in celebration of International Women's Day. The number of women coming together to enjoy fellowship and to network was a clear indication that there is a need for such functions in our community.

The pool venue at Tropical Wanderer was perfect (with the exception of the swarm of uninvited mosquitoes!!) and my sincere thanks are extended to Noel, Kyra and staff for providing a scrumptious breakfast and wonderful service. My thanks also to Norma and Berenice who, once again, provided such great support.

Working with other women's organisations in advancing the status of women is a philosophy I believe strongly in and intend to pursue. More information about this at our next meeting. One of the greatest outcomes of the morning is that we have made contact with many more women in our community and we now have to respond smartly and target some of those ladies as potential members.

Our Zonta year is rapidly approaching its end - can you believe that another club year is almost over! During the coming months our nominating committee will be approaching members to commit one or two years to a

advancing the status of women worldwide

chairmanship or board position. With the imminent departure of Jill Nicoll and the completion of terms for Anna Condon and Di Williams we will be seeking nominees. Please give this serious consideration, remembering that with the alignment of committee and board meetings on the same Tuesday your commitment per month will only be more in terms of time on the second Tuesday.

Regards
